A WORD FROM ALL OF US

We wanted to take a moment and simply say thank you for your continued support of our programs and our youth. Because of you, the efforts of Hands4Hope youth are truly producing a meaningful impact in our community. We are cultivating civic minded and socially responsible young men and women, and we could not do this without generous donors like you. We wanted to share some of the amazing things our youth have been able to do with your support.

The 6th Annual Hands4Hope School Supply event was held on Friday, August 9th, at Schnell School in Placerville and over 325 students were provided with a backpack and school supplies for the upcoming school year! We had a great group of volunteers who helped run the outreach event, and a dedicated School Supply Committee, led by intern Meghna Sehrawat, who worked tirelessly all summer gathering donations and coordinating drives. When asked about her experience, Meghna said, **"I learned how to lead and discovered a newfound confidence. I am so grateful that through Hands4Hope, I was able to learn more about my community and how to give back to it."**
